INTRODUCTION: A FORECAST REPORT FOR YOUNG ADULTS

AstroJourney II is written for adolescents and young adults. The report focuses upon, but is not limited to, 14 to 29 years of age. There are a lot of transit reports out there. Why write one for youth?

Survival is tougher today. Astrology is like a road map. Your road map. Your destiny. Today, more than ever before, we live in a world of choices. Your fate isn't set in stone. From the looks of things, we don't have too much to say about who our parents are, where we're born, how many siblings we get, whether our parents are rich or poor, loving or mean, rigid or liberal. Spiritual astrology teaches that you got the best deal you could get in terms of your karma. Your karma is the picture of your past, your debts and credits from many lifetimes, for better or for worse. Whether you believe in karma or not, you still have to work with what you've got!

CHOICES

The older you get, the more you're going to want to have a say, the more what you say is going to make a difference, and the more you're going to have to account for the consequences. Growing up, separating from your parents, and making it on your own is about making decisions and taking responsibility for your life. This happens in stages. Some stages of maturation are gradual. Others are dramatic. Many things are hard to understand until later in life, when we can look back on our experience with wiser eyes. Your personalized AstroJourney II Report can help you understand what's going on while you're in the middle of it. AstroJourney can help you pinpoint various possibilities to help you make the best choices.

THE FIRST SATURN OPPOSITION

Some challenges we face have to do with stages in life. For example, between the ages of 14 1/2 and 16 everyone lives through the first Saturn opposition. This is usually a tough time, because you may feel quite capable of making it on your own, but somehow you're not ready yet. You're probably still financially dependent on your parents and you need to finish High School. You may need, love, and respect your parents, but chances are you don't totally agree with the way they do things. This is the age when you really start to see things in a different way. This transition is necessary. Everyone goes through it. Your parents went through it. It's usually a time of tension.

YOUR PERSONAL DESTINY

Other happenings in your life have to do with the day and the moment you were born. Some of these cycles last for a couple of hours, others last for as long as 14 years! Going through Uranus conjoined your Sun, which happens only once in a lifetime and can totally turn around your life, is going to be different at 16 or 22 than it would be at age 40 or 80! A transit like Neptune squaring Mercury, which lasts a couple of years, would be confusing at any age in any time. But today the danger of getting wasted with drugs or alcohol or dropping out of school during this sensitive period is going to be more than it was a generation ago. It's also a great time for self-discovery, creativity, getting into music and art, meditation, Tai Chi, exploring spiritual concepts. In writing this report, we want you to know what each transit means for you, at your age, at this time in history

EVERYONE'S LIFE MATTERS

One thing I've discovered by working with thousands of people is that everyone, without exception, no matter how much better off they may appear to be, has tough issues to work out. Some kids are in more deeply than others. Maybe this has to do with your relationships with parents, school issues, jobs or just feeling good about yourself. Sometimes your attention is on your overall health or appearance. During your twenties especially, much change centers around friendships and intimate relationships. In writing each entry we had to cover a lot of ground to speak to many people in different situations, but at the same time hit how a certain influence works for you.

If you're 16 and living at home, stuff about looking for an apartment, buying a car, getting involved in serious relationships and filling out job apps may not be relevant to you yet. But, then again, it might. Many of you are sexually mature, if not necessarily ready. We decided to treat you as older rather than younger. You'll know what relates to you because it fits!

Some are in college, still deciding upon a major. Others go to work straight out of High School. Still others defend our country and the cause of freedom across the world. Some marry early and enter into the responsibility of parenthood. Others have no obligations outside themselves. Everyone's story is unique. Regardless of countless diverse scenarios, somehow (and this is the fun of it) you'll find the transit description makes sense.

CONTRADICTIONARY INFLUENCES

On some days you'll hit a mixed forecast. For example, transiting Mercury might be Square your Mars, a challenging aspect. Your report warns you that you are vulnerable to getting into arguments or get a ticket for speeding. At the same time Mercury might be trine Jupiter, telling you it's a great time for communication of all sorts and short trips. When you think about it, in a single day, we deal with sometimes contradictory energies. If you put the two together, they'd read, "a great day for short trips as long as you watch your speed; you have a lot to say, but be willing to listen to someone else's point of view." You can often make the good better by taking note of the precaution, or you can blow a positive possibility by letting your ego be too large.

A SPIRITUAL GENERATION

This report is not religious in any way, but it is spiritual. All of you were born with an astrology that brings you into understanding spiritual dimensions of life not available to previous generations. East has met West with yoga and acupuncture, Tai Chi, and meditation. Even chiropractors were for the alternative crowd when many of your parents brought these and other "New Age" concepts in a generation ago. Today, they're more and more commonplace, just the beginning of what's to come.

You've been brought up with computers in an informational age. Technology and the media are changing our lives so quickly that it's not easy to keep pace. It may be harder to plan for the future when the present moves so fast. Yesterday's model for marriage and close relationships doesn't really work today. In talking about your social and career aspects, we kept these things in mind.

YOU'RE CHANGING THE WORLD

Finally, you are adolescents and young adults at a time in history when major cycles are changing. We've just entered a new Astrological Age -- Aquarius, the age of Love. People have different ideas about what love means but Aquarius is already changing the way we think, work, play, relate. You are inheritors of a new world, one which many people in many lands believe will be a "Golden Age" preceded by incredible turmoil.

In writing to each of you and all of you, we do so with great respect and understanding, and with hopes that this book of changes will make a positive difference on your journey.

The AstroJourney Report text was written by astrologer Kathie Garcia. Kathie received valuable feedback from her children, Eugene and Indra, who were 17 and 19 years old at the time of the writing.

HOW TO USE ASTROJOURNEY II

At the exact moment of your birth, the planets were in certain signs, in a certain relationship to one another. To erect your natal chart, the astrologer takes a picture of that moment, as if the heavens froze! The story of your life is written in the working out of these energies over time. Some are harmonious and others are challenging. Astrologers are able to predict what will happen, when it will happen, and the duration of the effect by evaluating the impact of transits. Transits compare the positions of a planet on a given date with a planet or position in your natal chart.

Using AstroJourney II is easy! In your report you'll read the date on which a transit is exact on the left hand side. This is when its influence is strongest. In parentheses you'll see the full duration of the influence, when it comes into play and when it leaves. On the right hand side, you'll see the description of the transit which includes a transiting planet in aspect to a natal planet. For example : Merc Sxtil Ven means transiting Mercury is sextile natal Venus.

The following paragraph is the interpretation of the influence.

UNDERSTANDING ASPECTS

Aspects are the astrologer's tool to understanding the nature of the relationship between two planets or positions: Sextiles (60 degrees) and Trines (120 degrees) show where energies flow harmoniously. Take advantage of these transits to lighten your load, move forward, get that date, etc. Squares (90 degrees) are the most challenging of all aspects. Conquering a square can be difficult and requires discipline, but the prize is worth the effort. Oppositions (180 degrees) challenge you in your relationships with other people. Sometimes you feel a real positive, even stimulating exchange of energy. Other times we deal with conflicts, confrontations, schisms, or separations. Someone else could be mirroring something about yourself that you need to

deal with but don't see. Conjunctions (0 degrees) can go either way and depend much upon the nature of the two planets coming together. Venus and Jupiter form a fun, if potentially lazy, combination while Mars and Pluto can be pretty heavy since they both relate to anger and ego.

PLANETS IN HOUSES

Planets transiting through houses are going to highlight a specific area of your life for the duration of the transit, according to the nature of the planet. AstroJourney II will tell you when a transiting planet enters a particular house in your natal chart. The date on the left tells when the planet enters the house. In parentheses you'll see the duration of the transit. It will start a day earlier than the beginning date. This is when the transiting planet is on the house cusp. On the right hand side you'll see the name of the planet and the house its entering. For example, "Merc 4th H." means "transiting Mercury is entering the 4th house of your natal chart." So, now you've got the pack, enjoy your journey!

Maybe it's just a bad hair day, or perhaps older persons are put off by your appearance. Whatever it is, it's probably not a big deal. On the up side, this influence can inspire you to perfect art and music projects, upgrade your wardrobe, or enjoy the company of another --that is, if you're willing to take the time and make the effort.

Events bring the need for freedom into high focus. Yet old traditions still command attention. Resolution usually requires compromise, cooperation, and a willingness to listen. Is conflict an absolute necessity? Maybe. Maybe not. A changing world scene might cause you to reevaluate your goals and life

direction. Conflict often has a purpose, especially in defining goals and life direction. Hold on to that which has proven its worth. The coming together of the old and the new, whether in relationships or in seeking new directions, has tremendous potential. If you can handle the extreme tensions, what you accomplish will have long term effects.

Make sure you have a support system to help you cope with the stress. If not, pare responsibilities and challenges to a minimum in order to ride this one out. It is more important to feel whole than to stagger about heroically. The time is ripe for serious ventures of a scientific nature. Master this energy in order to expand your inner galaxy of energy and being.

If you don't get out and do something, all this energy could drive you nuts. How about at least hitting the gym to blow off some steam?

18 Dec 2018 5 AM (18 Dec 2018 to 19 Dec 2018)

☉ ♁ Mc

This is a time to remember that there's no place like home. Take these days to clean your room, spend time with the family, or retreat a bit to think about your own needs. Of course, if you need to work or study, don't forget to take care of business.

18 Dec 2018 (17 Dec 2018 to 22 Jan 2019)

☉ 4th H.

Sun passing through the House of the home and family: So much of who we sense we are relates to our roots. Everyone needs to belong; transcend the static of typical family ego confrontations. Seek harmony.

19 Dec 2018 12 AM (18 Dec 2018 to 19 Dec 2018)

☉ □ As

Run ins with others who don't see things the way you do are a possibility today. Be aware of your ego and avoid steam rolling to get your way. On the other hand, you could feel more self-conscious than usual, a little too aware of the more negative aspects of your personality, and overly concerned with the way others see you. Center in your heart and you'll be able to ride this one out.

21 Dec 2018 8 PM (21 Dec 2018 to 22 Dec 2018)

♁ □ ♀

You may feel others aren't listening or they could complain you're not in tune with them. Decisions made now may have to be rethought later. You could be tempted to buy fancy stuff you really don't need. If this happens, it could be a sign that you need to bring your head together with your heart. Stay away from gossip.

22 Dec 2018 (17 Dec 2018 to 27 Dec 2018)

♁ □ ♀

While too much limitation or a terribly heavy karma may tax the soul and dampen the spirits, too much ease often leads to laziness and sloth. It's that "you can't have your cake and eat it too" truism. (Why have a cake you can't eat?) Maybe it should go, "Eat too much delicious cake and you'll get a stomach ache (or put on pounds or yin out)," or "Spend too much money and you may end up broke," or "Go out with too many people and they all may leave you." In other words, have your cake and eat it, too, but determine what portion you can enjoyably digest. Relationships demand give and take, trust is built upon keeping to agreements. Determine mutual boundaries and respect them.

The relationship between sex and pregnancies tells the story of balancing pleasure with accountability. Know that even well intentioned and basically good people mess up sometimes; check into any enterprise carefully before committing. Nowadays, being gullible is more dangerous than ever. If you tend to be too uptight, perhaps this influence will help you loosen up. But if the opposite is true, you'd best take it easy with spending, drinking and other pleasurable pursuits. A manana consciousness leaves you dulled out in your mental hammock. "Saying no" isn't easy. Get a grip! Pull in the reins.

22 Dec 2018 12 PM (22 Dec 2018 to 23 Dec 2018)

♀ * ♀

Compassion, sensitivity to the needs and feelings of others and artistic and musical inspiration are enhanced under this influence. This is an opportune time to visit family or friends, especially those in need of comfort. Relationships initiated under this aspect could be an ideal encounter or some pie-in-the-sky bubbles soon to burst.

22 Dec 2018 1 PM (22 Dec 2018 to 23 Dec 2018)

♀ ♃ ♆

Your sentiments and the ideas (or speech) of another could clash. What they say sounds rude. Or perhaps your message gets misconstrued. Courtesy tells another "I value you and what you have to say." If you're willing to really listen, great dialogue can result. Put a hold on gossip and meaningless conversation. Letting people know you appreciate them often does a world of good!

24 Dec 2018 4 PM (23 Dec 2018 to 26 Dec 2018)

♂ ✖ ♃

If friends remark that you are unusually serious now, they are right! This influence offers a good formula for success if you are willing to work hard, keep organized, define your goals, and stay on track. Your ambition is likely to be intensified, as well as your will to succeed and grapple with knotty problems. Parents, bosses, mentors, people in power, support your goals.

25 Dec 2018 4 AM (24 Dec 2018 to 26 Dec 2018)

♀ ♃ ♆

This transit is short, but potentially intense. Jealousy, strong sexual desire, possessiveness, and selfishness are shadow aspects that could emerge. You can use this time constructively by cleaning out stuff standing between you and true love. Regenerate core attitudes regarding self-worth and how you relate to others.

25 Dec 2018 11 PM (24 Dec 2018 to 27 Dec 2018)

♂ □ ♃

A tendency to take things personally could cause you to overreact emotionally. Ask yourself if you're acting like you did with your mother when you were an infant! The trouble is you've grown up! This transit gives you a good idea of what habits hurt you and keep you from getting the love you need. Emotional anger can challenge you. It doesn't matter if it comes from you or if someone else ticks you off. Be advised: booze, drugs and careless sex are especially dangerous outlets now! Look for new ways to conquer old hurts and you'll find a peace you haven't known before.

26 Dec 2018 10 AM (26 Dec 2018 to 27 Dec 2018)

☉ ♃ ♃

Even with the best of intentions, you could paint yourself into a corner if you get too excited promise more than you really can deliver. You may feel like the best thing since sliced bread these days, but unfortunately, not everyone agrees. It's too easy to get into arguments over beliefs. Live and let live. Not to worry, others will let you know when you're getting too conceited. Don't be a user. You could end up a loser!

26 Dec 2018 11 AM (26 Dec 2018 to 27 Dec 2018)

♃ ☐ Mc

Place your attention on your career. What happens now could significantly affect your general direction during the next two years. Take note of new career activities initiated now. Opposition or circumstantial difficulties could make the way appear more like an obstacle path. No matter. Sharpen your skills.

27 Dec 2018 3 PM (26 Dec 2018 to 29 Dec 2018)

♃ ♃ As

Beware! This transit almost always brings you into conflict with others. As Mars enters your house of important relationships and open enemies, interpersonal differences can easily become ignited. The only way out is through the heart. Be considerate of others, but know that people will do what they will do. Strengthen your inner reserves.

27 Dec 2018 (26 Dec 2018 to 1 Feb 2019)

♃ 7th H.

Mars passing through the House of Relationships: This period will test your ability to resolve interpersonal conflicts. Anger often masks hurt feelings. Take a step back from the issue and ask yourself, "What do I expect of this person? What is being expected of me?" In searching for the answer, be willing to be honest with yourself and considerate of others. If sparks fly, determine to act decisively but avoid over reacting in a way that you might later regret. A mutually agreeable compromise may be necessary to settle differences amicably. On the plus side, your efforts could be strengthened by working energetically and harmoniously with another person toward a common goal.

29 Dec 2018

(28 Dec 2018 to 31 Jan 2019)

♀ 3rd H.

Venus passing through the House of communication, transportation, siblings: Others are won by the sweetness of your words, a poem, or a valentine. Some enjoy good times with a brother, sister or cousin. New wheels, stereos and entertainment discoveries are possibilities.

20 Jan 2019

(20 Aug 2018 to 19 Feb 2019)

♁ * ♁

Dimensions usually veiled to normal sight open, even if ever so slightly. This is a time when you may see what once eluded you, understand what once remained a mystery, care in ways you've never cared before! Compassion is the key to perceive why people do what they do and to capture something of the unity beyond differences. You may have the sensation of being awake within your own dream. Take the time to write or record your impressions, as a soul acuity is available to you now that later may vanish when you get down to the more mundane aspects of daily living. You may find an artistic medium, such as art, drama, creative writing, or photography a constructive means in which to channel your imagination.

22 Jan 2019

(18 Aug 2018 to 20 Feb 2019)

♁ * ♁

This is a potentially non stressful time to learn more about yourself and others. Imagination and intuition are heightened. Musicians, photographers, writers, actors, and creative people as well as those of spiritual inclination all benefit. You are at your most poetic and devotional. Even dreams may reveal keys to your future. Your sleeping muse awakens!
