This Friends Report is divided into 4 chapters.

Chapter 1 describes your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you have a close or long-lasting relationship. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you depend on each other in a business partnership than if you are casual acquaintances.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of open communication and friendliness are emphasized, then you can count on this relationship growing into a close, long-lasting friendship. However, if friendliness and harmony between you are hardly mentioned at all, your relationship will be a more formal, less personal one and you probably won't think of one another as close friends. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise over time if your relationship is a long-lasting one.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that Cameron is more aggressive than Drew, and another statement stating that Drew is more aggressive than Cameron, means that you alternate roles, with Cameron sometimes being the leader and Drew being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, if your relationship is strictly business-related and close, personal friendship is unimportant to both of you, then it will not concern you if there is little warmth in the relationship. However, a lack of warmth and sympathy, or a tendency to be critical and

judgmental of one another, is a more serious problem in a parent-child relationship. You may also want to order a Natal Report for each of you. The Natal Report describes your individual traits. The material in Chapters 2, 3 and 4 of this report describes the dynamics of your relationship, but does not describe your individual natures.

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

Chapter 1

A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

Cameron's Sun in Virgo and Drew's Sun in Pisces:

You are opposites in many ways, and yet you can be complementary. Cameron is discriminating, precise, analytical, critical, and something of a perfectionist. Order, exactitude, and attention to details are important to Cameron. Drew, on the other hand, is more concerned with the overall feeling and can be quite lax, disorganized, and downright sloppy, compared to Cameron. Drew is also much less judgmental and difficult to please than Cameron is. Drew's accepting attitude can be very comforting to Cameron, who tends to be too hard and self-critical. But Drew's inability to set limits, stick to diets, budgets, or abide by rules in general may irritate Cameron, especially if you two work closely together or live together. Both of you have a gentle and basically humble nature and you both need a lot of sympathetic understanding from friends. You can be excellent friends. Cameron's clear factual reasoning ability balances Drew's emotionalism, and Drew's emotional sensitivity and compassion balance Cameron's tendency to be too analytical.

Cameron's Moon in Taurus and Drew's Moon in Cancer:

Both of you value matters of personal concern very much, and you enjoy sharing thoughts and concerns about family and personal interests.

Of the two of you, Drew is the more emotional, sensitive, and moody, while Cameron is more steady, practical, and even-tempered. This difference, fortunately, is not likely to be a source of conflict and you appreciate one another. The two of you can be close, loyal friends to one another.

Chapter 2

Major Themes in the Relationship: What Brought You Together

Venus Mutually Aspects Jupiter:

As mentioned below several times, this friendship is blessed with a high degree of good will, harmony, and appreciation for each other. A great deal of merry-making, partying, and socializing makes this relationship an outgoing, enjoyable one. Your appreciation for each other is very strong - this is a friendship that is long-lasting, fulfilling, and rewarding in many ways, emotionally and spiritually as well as materially.

Cameron's Venus Trine Drew's Jupiter:

You are generous with one another, always ready to help each other, and you have a great respect and appreciation for one another. You allow one another a lot of freedom to develop other friendships, rather than clinging possessively to one another. You may also benefit from one another materially as well as emotionally.

Drew's Venus Square Cameron's Jupiter:

You enjoy laughing, playing, socializing, and going out together to have a good time. You are expansive and generous with one another, and are inclined to spend unwisely, overeat, or otherwise overindulge when you're together. If you live together or work closely with one another, disagreements regarding finances, budgeting, or investments are likely to arise.

Drew's Asc. Conjunct Cameron's Saturn:

Cameron restricts, disciplines, disapproves of, or criticizes Drew, often in a subtle way or with the assumption that it's for Drew's own good. This has the effect of either undermining Drew's confidence or of forcing Drew to become even stronger and more definite in order to stand up to Cameron.

Drew often acquiesces to Cameron's wishes, even when they inhibit Drew's own natural self-expression. Drew will respect Cameron, and may actually benefit from the structure, stability, and security that Cameron provides. Drew

also feels that Cameron is someone to be trusted and depended on, and in turn may feel obligated to Cameron in some important way. However, the relationship between you can easily become stifling, especially for Drew. Cameron must avoid trying to control Drew.

Cameron's Asc. Opposition Drew's Mars:

You enjoy working together and it is also likely that you engage in competitive sports or games with each other. A negative possibility is that one of you would attempt to dominate the other, causing anger and resentment in the other. You antagonize one another at times by emphasizing your individual differences and your own needs, rather than trying to cooperate or harmonize with one another. You bring out the fighter in each other. You are able to get issues out in the open, but direct confrontation can degenerate into attack if you are not careful. Be gentler with each other!

Cameron's Venus Opposition Drew's Mars:

You have a warm, affectionate relationship but there are strong elements of rivalry and competition between you also. Drew tends to be the more active or assertive one in your relationship, and may be more dominating or possessive about the friendship than Cameron would like. Cameron tends to allow Drew to lead, and gives in to Drew rather easily. You should enjoy a good, honest fight, or tennis match, or other strong expression of your emotions on occasion; otherwise, tension and actual dislike may develop between you.

Drew's Venus Opposition Cameron's Pluto:

Powerful subconscious emotional drives come into play in this relationship and you may become exceedingly attached to one another, as well as very jealous and manipulative at times. This is not a superficial friendship. Do make sure your intentions, motives, and purposes are above board and clear; otherwise, you can become enmeshed in emotional or financial entanglements with one another.

Drew's Sun Square Cameron's Neptune:

You must guard against mutual deception and misunderstandings. Drew tends to have an unrealistic view of Cameron, and Cameron has a tendency to unconsciously capitalize on Drew's imaginative and often simply erroneous

perceptions. The tendency to be dishonest, hide things from each other, exaggerate, and spur each other to unrealistic hopes and dreams is very strong. Both of you must be able to distinguish fantasy from fact, and utilize the increased sensitivity and heightened imagination that you inspire in each other, without letting it cloud your ability to clearly and realistically see other and understand each other.

Cameron's Asc. Trine Drew's Jupiter:

Drew makes Cameron feel more optimistic and self-confident, and encourages humor, play, and freer self-expression in Cameron. You both feel more expansive and relaxed in one another's company which makes the time you spend together easy, enjoyable, and rejuvenating.

Drew's Asc. Trine Cameron's Uranus:

Drew's originality and creativity is sparked by Cameron's enthusiasm, eccentricity or "crazy" side. You are both more impulsive when you are together, and more willing to take risks and appear foolish. At the least, this can be lots of fun; at best, it can be very freeing and liberating.

Drew's Asc. Sextile Cameron's Mercury:

Harmonious, open, and clear communication is so ingrained in your relationship that you probably take it for granted. You enjoy long talks and it seems that no matter how well you know each other, you continue to enjoy having time for long discussions.

Drew's Moon Square Cameron's Uranus:

The two of you can be eccentric and zany together. You snap each other out of your usual habits and you act spontaneously and creatively. Many times it is difficult for the two of you to focus on practical, mundane affairs together - you would rather spend your time together doing something more exciting and original. This relationship follows an unpredictable course and you are likely to come together and then drift apart frequently and unexpectedly.

Cameron's Moon Trine Drew's Mars:

Your relationship is dynamic and energetic. If both of you enjoy athletic

sports or other physical activities, you will have a wonderful time sharing these interests. You work well as a team and you are able to coordinate your efforts in a very harmonious, successful way.

Cameron's Mars Square Drew's Neptune:

It is very difficult for the two of you to jointly accomplish practical, mundane tasks. You draw out the silly, childish, imaginative side of each other, and you often will simply not be able to clearly focus on practical tasks. If either of you has a drinking, drug, or psychological problem, it is likely that your relationship will highlight this problem. Be wary of the tendency of both of you to over-indulge in these kinds of bad habits.

Chapter 3

Destiny and Final Outcome of Your Relationship

Composite Sun Conjunct Neptune:

A delicate and subtle rapport exists between you, which cannot be described in concrete terms except to refer to it as a soul connection. It's an intuitive knowing of one another, and a sense of spiritual compatibility.

You tend to think very highly of each other at first. However, when you encounter human imperfections, flaws, and inadequacies, things you may take in stride with other people, you feel bitterly disappointed and deceived. If you can accept one another, including all of one another's human frailties, you will fulfill the purpose of this relationship. Neither of you needs to be a saint or a martyr for one another -just be yourselves!

Another potential pitfall for the two of you is to encourage in each other excessive idealism, false hope, unrealistic fantasies, and an urge to escape into paradise. Try to keep your feet on the ground while at the same time pursuing the many dreams you will have together. As a couple, the ocean or seaside is very beneficial to you.

Composite Sun Sextile Pluto:

You are undeniably a powerful duo, and the way you relate to one another affects the people around you much more than you realize.

You cannot avoid learning one another's deepest fears, desires, motives, and aspects of one another that few others have ever seen. You can't hide much from one another. This won't trouble you but instead will be the basis of an especially profound friendship.

Fateful, unexpected events which are very much beyond your control will shape your relationship to a significant extent.

Composite Mercury Conjunct Mars:

Vigorous debates and intellectual sparring will inevitably play a key role in your friendship. What you might try to convey tactfully in other circumstances, you will state directly and unequivocally with each other. This can lead to numerous arguments and disputes, not so much due to deep differences of opinion but simply due to the way you both communicate with one another.

It is likely that one or both of you will come to feel verbally attacked, or criticized for petty things, unless you both are willing to work on being gentler with each other.

On the other hand, if you enjoy bantering, competing intellectually, and hotly debating various issues, you may not consider any of this a problem. It will, however, be an ongoing dynamic in the way you relate to one another.

Composite Mercury Square Jupiter:

You bring out the restless, wandering, intellectually curious and open-to-adventure sides of one another. Big visions for the future, dreams of seeing the world, and/or greatly expanding in some other area of your lives are key themes in your relationship. Together, you are idealistic, optimistic, hopeful, expectant of good things to come, and generally philosophical about failures. One of the gifts inherent in your friendship is faith.

Together you may get involved in projects that either grow too quickly or somehow become unmanageable (bigger than you expected). Grandiose claims - not based on fraud but upon over-optimism - will be a problem at

sometime in your relationship, too.

Composite Venus Quincunx Uranus:

If your friendship is long-lasting, it will eventually take some very unexpected turns. A difference in attitudes, values, or life style will lead to awkward and clumsy encounters. You will be forced to address the source of this awkwardness or avoid each other altogether. The unexpected turns in your relationship will challenge both of your assumptions and conventional ways of relating, and can lead to some significant improvements in the way you relate to each other, and to others as well, but this will not be achieved without some effort. Both of you will need to be flexible, adaptable, and understanding, and do not expect each other to always conform to your expectations.

Chapter 4

Other Themes in Your Relationship

Cameron's Sun in Drew's 4th house:

You may be drawn to live together and share a home together. Cameron's friendship can help Drew create a strong inner foundation or stable base from which Drew can draw strength to meet challenges and achieve goals.

Drew's Sun in Cameron's 8th house:

Drew encourages Cameron to delve deeper into emotions and psychological or esoteric studies, and to experience life more directly and intensely. You also enjoy sharing ideas and resources and may embark on joint business ventures or make joint financial investments.

*Cameron's Moon in Drew's 12th house,
Drew's Moon in Cameron's 12th house:*

There is an element of secrecy and deep intimacy in your relationship. You confide all of your deepest feelings to each other, and both of you find yourselves sharing things about yourselves with each other that you have not

been able to share with anyone else.

Cameron's Mercury in Drew's 3rd house:

The two of you love to chat, and often it requires effort for the two of you to be together without talking, even if there is little to discuss. Try to avoid the tendency to gossip with each other.

Drew's Mercury in Cameron's 7th house:

Your conversations are lively. It seems that both of you can't resist a debate with each other. Although you frequently disagree with each, fortunately you enjoy the lively exchange of ideas nevertheless. You consult with one another in order to get an objective opinion and listener.

Cameron's Venus in Drew's 2nd house:

Cameron encourages Drew to spend money more freely, especially on art, beauty, or pleasure. Gifts and tangible expressions of your friendship are also exchanged frequently.

Drew's Venus in Cameron's 9th house:

Cameron has a great deal of respect and appreciation for Drew, and may even look up to Drew. If Cameron ever feels that Drew's motives are not sincere or genuine, then the disappointment can be crushing to your friendship.

Cameron's Mars in Drew's 4th house:

For better or worse, Cameron gets under Drew's skin. Cameron may infuriate, excite or inspire Drew, perhaps even all of these at the same time! If you live together, Cameron will do much to maintain the home, but both of you must be careful to accommodate your friend's tastes and concerns. Try not to insist on your own will and desires, especially when domestic issues are involved.

Drew's Mars in Cameron's 7th house:

Drew has a "take charge" attitude towards this relationship and comes across very strong, perhaps aggressively, at times. Cameron appreciates

Drew's direct, uninhibited approach to Cameron, but there is a tendency to become combative and competitive with each other at times.

Cameron's Jupiter in Drew's 7th house:

Drew feels buoyant and outgoing in Cameron's presence, enjoys talking and doing almost anything with Cameron. Cooperation and optimism are high in this relationship and you can count on having a very upbeat and outgoing relationship at most times.

Drew's Jupiter in Cameron's 9th house:

There is much variety and expansiveness in this friendship. You enjoy planning for the future and expanding horizons together. You enjoy traveling, vacationing, and socializing together. The rich variety of experiences that you share together enriches your outlook on life and increases your appreciation of many things that you otherwise tend to be unaware of or uninvolved in. Drew will expand Cameron's world considerably. If you are involved in a joint business venture, you are likely to sometimes ignore important details in your zeal to expand.

Cameron's Saturn in Drew's 1st house:

Cameron's more mature, responsible, reliable side comes out in this relationship. Cameron becomes almost paternalistic toward Drew, and Cameron is inclined to offer lots of advice, sometimes being critical, judgmental, and interfering too much with Drew's plans and goals. Cameron's "helpful criticism" sometimes sours into moralistic judgments. Cameron should be wary of the tendency to control Drew and severely limit Drew's freedom.

Drew's Saturn in Cameron's 12th house:

Issues such as death, afterlife, guilt, and religious faith come up in your conversation, even if these topics normally do not interest either of you. If either of you has any significant "emotional hang-ups" (phobias, fears, guilt, etc.), these problems will be brought to the surface in this relationship, and you will not be able to escape facing them. Drew, in particular, won't let Cameron avoid these issues and brings them to the surface. The opportunity for inner growth and development presents itself but sometimes Drew increases Cameron's anxieties or insecurities by probing too much.

Cameron's Uranus in Drew's 5th house:

There is a strong creative impulse that is triggered when the two of you get together. You are able to create original and unusual works together and you are more impulsive, daring, and wild when you team up.

Drew's Uranus in Cameron's 4th house:

Drew challenges many of Cameron's deeply ingrained attitudes and many of the habits and personal tastes that are developed from early childhood. Drew often encourages Cameron to break free from the past, although this encouragement is often subtle and not overt. Drew needs to be careful not to overlook the value of Cameron's heritage, and you both need to be able to preserve what is good in the past without remaining attached to habitual tendencies that are not fulfilling or healthy.

Cameron's Neptune in Drew's 6th house:

Drew is often disappointed in the way that Cameron handles problems and performs various chores and tasks. Drew is likely to feel that Cameron is careless or sloppy. This is not likely to create any serious problems, unless you work together.

Drew's Neptune in Cameron's 5th house:

Drew enjoys acting childish and silly with Cameron. You enjoy playing with each other, and there is a strong element of fantasy and imagination in your games. Cameron's sense of reality may be somewhat diminished when with Drew, and overindulgence in pleasurable activities or emotions is possible.

Cameron's Pluto in Drew's 4th house:

A lot of powerful emotions come to the surface in this relationship. Differences in your family backgrounds, ethnic or religious heritage can become a source of friction. Subtle biases toward each other or misunderstandings between you can smolder for a long time, and then erupt as hurt feelings and anger. You need to be honest and open with each other because otherwise a complex knot of feelings can develop between you, developing into a love-hate relationship.

Drew's Pluto in Cameron's 3rd house:

Drew sometimes expresses ideas and opinions in a very forceful manner to Cameron, who inspires Drew to take a strong stand on issues, but may feel that Drew is too narrow-minded at times. The two of you can work well together in areas that require concentration or bold presentations such as research, marketing, etc.

Cameron's Sun Opposition Drew's Sun:

Although the two of you have many basic differences in your personalities, you are, nevertheless, compatible and able to complement each other.

Cameron's Asc. Conjunct Drew's Moon:

The two of you probably felt like old friends right from your first meeting. You have a natural affinity for each other, and it is very likely that you will remain life-long friends. You enjoy each other's company, feel very at home with each other, share many of the same interests, preferences, and tastes. You have a direct, intuitive understanding of each other that allows you to communicate and share your feelings and thoughts very openly with each other. Drew tends to "mother" and care for Cameron, and Cameron easily can become dependent on Drew. In fact, a mutually dependent relationship is very likely.

Drew's Moon Conjunct Cameron's Venus:

Kindness, warmth, and consideration for each other are very strong. You share feelings, your pasts and family roots, personal tastes, and interests openly with each other and you understand and appreciate each other very well. This relationship grows into a close friendship.

Cameron's Moon Sextile Drew's Jupiter:

Both of you get into a good mood when you are together and any personal problems or anxieties that you have feel much less oppressive. This is likely to be a long, positive and healthy friendship.

Drew's Venus Trine Cameron's Neptune:

You evoke in each other a greater sensitivity to music, art, and poetry, as well as feelings of compassion and sympathy. You are inclined to give unselfishly to one another, and to be a friend in good or bad times. Exploring new dimensions of feeling and sensitivity through music, art, poetry, or religion is also highlighted.
