This Lovers Report is divided into 4 chapters.

Chapter 1 compares your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you are married or live together. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you are married than if you are only seeing each other occasionally.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of romance and sexual attraction are emphasized, then you can count on this relationship being a passionate one. However, if romance and sexuality are hardly mentioned at all, then this relationship will not be a passionate one. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise if you have a close, long-lasting relationship.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that Elvis is more aggressive than Priscilla, and another statement that Priscilla is more aggressive than Elvis, means that you alternate roles, with Elvis sometimes being the leader and Priscilla being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, we have assumed that you are opposite-sexed (assuming that both of you are heterosexual, otherwise same-sexed). Physical attractiveness, age, religion, education, family and cultural background will affect your relationship as well. The material in Chapters 2, 3, and 4 of this report describes the magnetism between you, but does not describe your individual natures. For example, suppose that

Chapter 2 makes little mention of romance and sexuality, but the Natal Reports for each of you indicate that each of you has extremely strong romantic and sexual desires. In this case, marriage is not likely to be successful! However, if romance and sexuality are not important to either of you, then the lack of passion in your relationship is not likely to be as much of a stumbling block.

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

# Chapter 1

## A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

*Elvis's Sun in Capricorn and Priscilla's Sun in Gemini:*

The two of you are very different! Elvis approaches life in a much more methodical, planned, patient manner than Priscilla. Elvis uses a clear strategy and is willing to work hard for many long years to gradually achieve the intended goal. Elvis is capable of great reliability and dedication, and will, for example, be willing to work through years of school until the desired degree is achieved, or work through a business or government hierarchy until a top position is achieved. Priscilla may also be successful, but the route is very different. Priscilla succeeds through curiosity, flexibility and adaptability, and communication skills. Unlike Elvis, Priscilla is not inclined to persevere through the dry periods but rather moves on to more interesting material once a point of stagnation is reached. Both approaches can work, but they are different, and you may reach points in your lives where you cannot come to an agreement on the proper path to take.

Elvis often seems like the adult in the relationship and can feel too conservative or serious to Priscilla. Priscilla is more like the child (or adolescent), being more flexible and playful but also less reliable and consistent.

*Elvis's Moon in Pisces and Priscilla's Moon in Scorpio:*

You are both very intuitive and psychically receptive, and you sense what is going on inside others even when they try to hide it. You have a very sympathetic rapport with one another, and you may get so enmeshed with each other that it is hard for you to tell whether you are feeling your own emotions and responses, or those of your partner.

Both of you are very, very sensitive, but the difference between you is this:

Priscilla will hold onto hurt feelings and may harbor unexpressed resentments, jealousies, secret fears, and guilt for a long, long time. Elvis, on the other hand, is much more forgiving, tolerant, and ready to make excuses for the offender. Priscilla is more of a fighter and wants to retaliate when injured; Elvis is basically a peace-loving pacifist who would rather not create more conflict.

Though you both feel very deeply, you may not be very articulate about your feelings and inner experiences. You share an affinity for music. Living near water would be beneficial for both of you.

*Both of you have Sun trine or sextile Neptune:*

Both of you are quite naturally attuned to the spiritual dimension of life. This may or may not be a significant interest or focus in your lives, but there is a certain shared knowledge that there is much more to life than what our intellect or five senses would have us believe. As your relationship develops, you may find yourselves very involved in social service, charitable work, church, or other spiritually inspiring activities together.

*Both of you have Mercury conjunct or in hard aspect to Pluto:*

You share an intense fascination with the hidden, secret, or mysterious side of life, and are not content with superficial answers. There is a natural researcher or detective in each of you which investigates the behind-the-scenes aspects of your lives. You ferret out the real nitty-gritty, the taboo topics, the truth about issues that other people hide from.

Both of you are also somewhat extreme, fanatical, or zealous about your opinions, and you may try to coerce other people into agreeing with you, against their will. Intellectual power struggles, or even using mental powers to manipulate others' behavior are pitfalls for both of you. Since both of you have this tendency, you could be doubly potent - or doubly dangerous -together.

## **Chapter 2**

### **Major Themes in the Relationship: What Brought You Together**

*Elvis's Asc. Opposition Priscilla's Uranus:*

There is a powerful, electric attraction between you, and your relationship is likely to begin suddenly and to intensify quickly, rather than growing gradually from friendship into romance. You are excited, impulsive, free and uninhibited with one another and may experiment with unconventional ideas or social behavior that you would never have before. Priscilla's entrance into Elvis's life may also be unsettling, disruptive to Elvis's current personal relationships, forcing unexpected changes or a sudden break from friends or partners. Also, you allow one another an unusual degree of personal freedom.

*Elvis's Sun Square Priscilla's Mars:*

This is a passionate relationship, but also a rather aggressive and combative one at times. Sex may be a bit rough, crude, or insensitive as well. You stimulate each other both in sexual and non-sexual ways, but you are also inclined to irritate each other. As long as you don't end up fighting and competing with each other, you can accomplish a great deal together. However, the aggressiveness of this relationship is prone to foster anger and hurt feelings - so be careful not to incite hostility in each other.

*Priscilla's Sun Square Elvis's Moon:*

The two of you are fascinated by each other and strongly attracted to each other, but the distinct differences in your temperaments also inclines you to periods of personality clashes and misunderstandings. In particular, Elvis often feels that Priscilla does not sympathize enough or try to really understand Elvis's feelings. If you try to force each other to be more like yourself (or more your like image of the perfect mate), this relationship can be disastrous. But if the two of you understand and respect each other's differences, you can enjoy the fascination and stimulating effect of your differences without clashing with each other. This is easier said than done, however, and both of you must make a concerted effort to harmonize your very different temperaments.

*Elvis's Sun Trine Priscilla's Jupiter:*

The two of you really enjoy each other's company! Priscilla has a great deal of confidence in Elvis and is able to see Elvis's best qualities. You are very

encouraging and supportive of each other, helping each other to be more confident, open new doors, and advance and grow in both inner and outer ways. This positive note of good will and harmony is also invaluable in helping the two of you overcome differences in temperament and other stressful aspects of your relationship discussed elsewhere in this report.

*Elvis's Mercury Square Priscilla's Venus:*

You enjoy sharing ideas about the arts, literature, and people but often you fail to understand each other and sometimes reach a complete impasse. Your feelings towards each other are sometimes misunderstood too, with one of you perhaps feeling more romantic and the other person feeling inclined strictly towards friendship without romance. Both of you will have to tolerate different points of view from your partner for this relationship to work successfully.

*Priscilla's Mercury Trine Elvis's Neptune:*

You enjoy discussing any subject that has an imaginative or mystical quality - art, music, fiction, theater, or religion. You kindle each other's imagination and ideals. You work together well in the arts, and humanitarian and religious areas. You have a strong intuitive and psychic rapport and often understand each other without need for words.

*Priscilla's Venus Square Elvis's Pluto:*

Although sexual magnetism between you is very intense, you both may be somewhat uncomfortable by the overwhelming feelings or obsessive quality that you engender in one another. Even if you are repulsed or disinclined to become close to one another, there seems to be an irresistible attraction bringing you together. Power struggles, emotional or sexual manipulation, and disruptive jealousy may be problems you encounter in this relationship. Whatever develops, this relationship will touch your depths and change you profoundly.

*Elvis's Mars Trine Priscilla's Uranus:*

An electric, exciting quality infuses your relationship and you encourage one another to be bold, confident, and assertive. Vigorous physical activities, from love-making to sports, are good outlets for the vital dynamic energy you generate together.

## Chapter 3

# Destiny and Final Outcome of Your Relationship

### *Composite Sun Opposition Neptune:*

There is so much imagination, fantasy, hope, dreaming, and idealizing in your relationship, that you two may really lose your sense of proportion and reality. It is easy for you to believe things about one another or about your joint endeavors which are simply not true, and the potential to confuse or deceive yourselves is marked.

The urge to transcend reality, or to bring dreams into reality, is an essential part of your relationship and you cannot ignore it or put it aside. However, you both need to strive to be scrupulously honest, and to get some realistic feedback from an objective third party, before investing a great deal into any combined effort.

### *Composite Mercury Quincunx Jupiter:*

One thing the two of you must watch out for is a tendency to expect too much or anticipate a greater outcome than is realistically possible. As a couple you are prone to make mistakes in investments or to mis-manage your shared funds, due to an overly optimistic assessment of a situation. Your long-range planning may be faulty, or you overlook key details. You may rely too much on an abstract theory or philosophy to guide you in making real, practical decisions - to your detriment. Avoid becoming too steeped in an ideology which simply isn't applicable to your immediate lives and needs.

Religious or philosophical differences between you will inevitably emerge, and part of your purpose together is for each of you to develop tolerance and a broader, more inclusive point of view.

### *Composite Saturn Square Pluto:*

One or both of you will undoubtedly feel extremely limited, imprisoned, or

compromised in this relationship at some time, and it may seem like your partner is the jailer, purposefully holding you down, or in some way the source of your misery.

On the other hand, it may be outside circumstances and seemingly random events which are oppressive, difficult, and burdensome. These situations will demand great sacrifices, as well as tenacity, determination, and endurance to overcome.

Clearly this is not an altogether sweet or light relationship. You'll be confronted with all of your personal demons, those things you fear the most. If you get through it, the two of you will have forged a powerful bond. If you blame the other person for these problems, losses, deprivations, or your lack of freedom, there will be increasing distance and coldness between you.

#### *Composite Mercury Trine Mars:*

The two of you will compete intellectually or be sparring partners, arguing and hotly debating issues just for the mental work-out it gives you. You challenge one another intellectually and are not apt to become mentally lazy or bored in one another's company. A sharp but playful bantering or taunting, and rapid exchanges of words, will typify your communication with one another.

Directness, honesty, and forthrightness in expressing your opinions ensure that very little will be concealed for the sake of sparing the other's feelings. Put simply, telling the truth regardless of consequences, is a key factor in your relationship.

You also have an excellent sense of timing, and as a duo you can come to swift decisions which work out beneficially for you.

#### *Composite Venus Trine Mars:*

Warm affection, romantic desire, and sexual harmony come naturally with the two of you. You'll find that expressing yourselves sexually will simply flow, and this should be a source of great fulfillment in your relationship, easing at least somewhat any of the other challenges or conflicts you may have.

This is destined to be a very creative union, and very fulfilling. In addition to the passionate element, which is quite strong, other avenues of creative self-

expression flourish when the two of you work together. If either of you is artistically inclined, your relationship will enhance this. On a biological level, as well, the two of you are quite fertile.

*Composite Mars Square Jupiter:*

As a couple, you generate a lot of positive energy, enterprising ideas, and a belief that you can do anything you really want to. You reinforce the encouraging attitude that what you do can really make a difference. Confidently acting upon those beliefs produces successful results in the world. A sense of ambition and enterprise infuses your relationship. However, minor achievements or humble successes, and even some of you grander accomplishments will not be enough for you. You'll always be seeking the next challenge, the farther horizon. The two of you must join forces and work together for some mutual goal, for you're apt to feel restless, discontented, and dissatisfied when you aren't doing something. A good bit of healthy, friendly competition between you will invigorate and challenge you both. Sports or outdoor activities would be good outlets for your combined energies.

## **Chapter 4**

### **Other Themes in Your Relationship**

*Elvis's Sun in Priscilla's 1st house:*

Elvis embodies many of the qualities and attributes to which Priscilla aspires, and consequently Elvis is a very interesting and attractive person to Priscilla.

*Priscilla's Sun in Elvis's 6th house:*

Priscilla likes to perform chores and tasks for Elvis, and you may sometimes feel like your relationship is more like an employer-employee relationship than a romantic one! This quality tends to be a positive one, though, for you are able to assist each other in very practical ways.

*Elvis's Moon in Priscilla's 2nd house:*

Situations arise that make it natural for Elvis to provide material and emotional support for Priscilla. By circumstances, Elvis becomes a benefactor to Priscilla, and this support engenders deep feelings of love and appreciation for each other.

*Priscilla's Moon in Elvis's 11th house:*

You share a light-hearted, outgoing, friendly relationship. Even if your relationship becomes very close and intimate, you maintain a reasonable degree of objectivity about each other. The friendly feeling of camaraderie that you share makes your relationship enjoyable and fun, although Elvis may feel that you don't take enough time to share inner feelings and deeper concerns.

*Elvis's Mercury in Priscilla's 1st house:*

Elvis is able to talk to Priscilla in a very open, candid, uninhibited manner, and Priscilla appreciates Elvis's point of view. This, however, can be taken to extremes, and Elvis may sometimes try to persuade Priscilla to agree with, and follow, a certain point of view.

*Priscilla's Mercury in Elvis's 5th house:*

You probably enjoy playing mental games together - word games, guessing games, etc. and you may also undertake a creative mental activity together, such as writing.

*Elvis's Venus in Priscilla's 1st house:*

Regardless of how others view Elvis, Priscilla finds Elvis to be a very attractive and a beautiful person. Priscilla sees a great deal of charm and sweetness in Elvis and is willing to go to great lengths to please Elvis.

*Priscilla's Venus in Elvis's 4th house:*

Elvis's deep feelings of love and admiration for Priscilla are not likely to evaporate over time. Both of you love your times together, especially your shared domestic life.

*Elvis's Mars in Priscilla's 9th house:*

Elvis challenges Priscilla's philosophical viewpoints and religious beliefs. There is the possibility that Elvis will try to force individual views on Priscilla.

*Priscilla's Mars in Elvis's 4th house:*

For better or worse, Priscilla gets under Elvis's skin. Priscilla may infuriate, excite, inspire, and sexually arouse Elvis, perhaps even all of these at the same time! If you live together, Priscilla will do much to maintain the home, but both of you must be careful to accommodate your partner's tastes and concerns and try not to overpower your partner, especially when domestic issues are involved.

*Elvis's Jupiter in Priscilla's 10th house:*

Circumstances develop so that Elvis is able to assist Priscilla in career and achieving long-term goals. Elvis takes a great interest in Priscilla's ambitions and is a great supporter and promoter of Priscilla's talents. You can also be very successful in business activities together.

*Priscilla's Jupiter in Elvis's 9th house:*

There is sufficient variety and expansiveness in this relationship to keep it interesting for a long time. No doubt you enjoy traveling, vacationing, socializing, and going out together, and the rich variety of experiences that you share together enriches your outlook on life and increases your appreciation of many things that you otherwise tend to be unaware of or uninvolved in.

*Elvis's Saturn in Priscilla's 2nd house:*

Handling of finances is a major issue in your relationship, especially if your relationship is a permanent one. Deciding how to increase income, how to wisely spend money, and how to develop financial security becomes a big issue, and major problems can arise if either of you ignores or overlooks your partner's point of view in these matters. You will learn a lot about handling money and resources and how to develop material security in this relationship, and hopefully any difficult lessons will not cause serious regrets. Elvis, in particular, should be wary of the tendency to be overly critical of the way that Priscilla handles finances and should try not to interfere too much with Priscilla's decisions in this regard. Priscilla should try not to be overly sensitive

to Elvis's suggestions and should try to extract the useful, valuable suggestions and ignore the rest.

*Priscilla's Saturn in Elvis's 7th house:*

Elvis feels that Priscilla is a person who will be trustworthy, stable, mature, and committed to the relationship, and there is, indeed, a high level of security and stability that can be counted on in this relationship. Both of you feel comfortable making commitments to each other so if romantic attraction is also strong, then there is an inclination towards marriage. However, over time Elvis may also find that Priscilla is critical of Elvis's friends and discourages Elvis from participating in many social activities. It is also likely that the two of you will discover that you have different views of what marriage is and what the commitment of marriage entails, and you may find that you have to work hard at structuring your relationship in a manner that is satisfying to both of you. For example, one of you may have more liberal views on marriage and the other be more traditional and old-fashioned.

*Elvis's Uranus in Priscilla's 3rd house:*

There is a spontaneity and quickness to your communications that allows the two of you to convey a lot of information to each other very rapidly. Elvis spurs Priscilla to develop new, creative ideas and you both enjoy the fresh, innovative ideas that come to you when you start brainstorming together.

*Priscilla's Uranus in Elvis's 7th house:*

Priscilla introduces new social circles to Elvis. There are many surprises in store for both of you in this regard, and it is likely that you find many of each other's friends to be a bit difficult to feel comfortable around. Elvis, in particular, is likely to find that social life changes a lot through this relationship. Priscilla can sometimes even be disruptive and disturbing to Elvis's friendships, which could make Elvis feel it necessary to choose between Priscilla and friends, which would be upsetting to your whole relationship. Positively, Priscilla will introduce fresh perspectives, enthusiasm and inspiration to Elvis's social life.

*Elvis's Neptune in Priscilla's 8th house:*

Elvis likes to share everything without reserve with Priscilla. Elvis is much less cautious and reserved in sharing possessions, as well as emotions, with

Priscilla. There is also a great deal of fantasy and imagination in your sexual life. This adds a colorful touch to your lives, but problems can arise if you ever feel that your partner has been dishonest with you; fantasy can easily lead to distortions and dishonesty that can erode the good feelings that you otherwise share.

*Priscilla's Neptune in Elvis's 10th house:*

Priscilla tends to have idealistic notions of what Elvis can achieve in a worldly sense, and consequently Priscilla is likely to encourage Elvis to pursue dreams without compromise. Elvis needs to be careful not to lose sight of the practical details that are needed to meet these goals.

*Elvis's Pluto in Priscilla's 7th house:*

Elvis is a very interesting, intriguing, and perhaps even mysterious person to Priscilla. There is a strong magnetic attraction between you. You enjoy the intensity of the energy exchange between you, and you may also enjoy competing (in sports or other activities) with each other.

*Priscilla's Pluto in Elvis's 8th house:*

There is a powerful magnetism between you, and probably a strong sexual attraction as well. If romantic attraction is strong, you may go through periods of feeling compulsive and obsessive about each other. The emotions involved are complex, however, and the bond between you, while strong, is not necessarily harmonious.

*Priscilla's Sun Trine Elvis's Venus:*

Yours is a congenial and enjoyable relationship, for you both like, love, and appreciate one another, and make special efforts to please one another. You also share a similarity in tastes and enjoyment of leisure activities and pleasures.

*Elvis's Asc. Trine Priscilla's Mars:*

Attraction between you is very strong. Your goals and interests harmonize very well, and you are naturally inclined to join together in shared interests, projects, goals, and work.

*Elvis's Asc. Trine Priscilla's Pluto:*

Priscilla is "the power behind the throne" when it comes to Elvis's ambitions and aspirations, or Priscilla may set the agenda with Elvis carrying out Priscilla's will and desires. Elvis's confidence, personal effectiveness, and social influence is greatly enhanced by Priscilla's presence and encouragement.

*Elvis's Mercury Trine Priscilla's Jupiter:*

Communication is open and harmonious. You are able to help each other incorporate new ideas and expand your perspective. If you have a close, long-lasting relationship, you will develop similar political, social, religious, and philosophical views. The similarity in your overall perspectives on life helps the two of you feel very happy to share your lives together. Your overall beliefs and aims are in harmony.

*Priscilla's Venus Conjunct Elvis's Uranus:*

Your sexual attraction for one another comes in sudden, unexpected waves. At times, it is irresistible and you are likely to find yourselves unexpectedly becoming involved in a sexual relationship even before you have gotten to know each other very well. This sudden arousal of sexual interest, however, subsides as suddenly and mysteriously as it is awakened, and the inconstancy of the attraction and fascination for each other can put this relationship on a roller coaster ride.

*Elvis's Venus Trine Priscilla's Neptune:*

You evoke in each other a greater sensitivity to music, art, and poetry, as well as feelings of compassion and sympathy. You find each other fascinating and interesting and you love exploring new dimensions of feeling and sensitivity through music, art, poetry, or religion. There is also a dreamy, romantic quality to the love that you have for each other.

*Elvis's Mars Opposition Priscilla's Mars:*

You enjoy challenging each other and competing against each other. You could easily become rivals or foes, as you tend to oppose one another and to

spark one another's fighting instincts. There is an aggressive quality between you which can give your interactions an energetic and lively, but rather combative tone.

*Elvis's Mars Square Priscilla's Saturn:*

In your partnership, Elvis is the eager, passionate, active and impulsive one, and Priscilla frequently puts on the brakes or tries to control, play down, and restrain Elvis's desires and drives. This may be true in your sexual relationship, your approach to achieving goals, or both. Elvis is likely to feel very frustrated, angry or discouraged if Priscilla expresses disapproval or caution too often, and this can be a source of considerable friction between you. Priscilla feels overwhelmed and envious of Elvis's intensity and assertiveness, but instead of trying to hold Elvis down, Priscilla should confront the fears and inhibitions that Elvis's directness evokes.

*Elvis's Jupiter Sextile Priscilla's Jupiter:*

You greatly enjoy one another's companionship for you both feel you can do wonderful things together and you foster a positive sense of confidence, enthusiasm, and optimism in one another. You often help each other to get a larger perspective on problems or important personal matters, and to see options and possibilities that you hadn't considered before. There is also much humor and playful give and take between you which relieves you of a too narrow or overly rigid way of seeing your situation.

This is a mutually beneficial relationship and you tend to feel and to be "lucky" together. You may also be overly confident, even foolhardy with each other at times.

*Priscilla's Uranus Square Elvis's Neptune:*

Bursts of inspiration, creative imagination and insight, or strange psychic experiences makes your relationship lively and unusual. You may do some rather bizarre or unusual experimenting together. Avoidance of responsibility or reality can be a problem at times.
