## **SECTION I: What Stevie is Like as a Person**

### **Part 1: How you Approach Life and How You Appear to Others**

*Aries Rising:*

You are impulsive, energetic and aggressive. Your partners tend to be gentle, diplomatic, and skilled in the social graces. You are captivated by charm and beauty, and pursue relationships with great ardor and enthusiasm. Your partners enjoy your energy, and smooth your way by compensating for your occasional excesses.

### **Part 2: The Inner You: Your Real Motivation.**

*Sun in Gemini:*

You are witty, mentally agile, and a great talker. You love to learn about new things. Your lively curiosity motivates you to actively seek out variety and new experiences. You have a great deal of nervous energy, and your mind tends to jump from one thing to another. You're easily bored and dislike being tied down, whether by people or material things. You enjoy traveling and moving about.

*Sun in 2nd:*

Financial success is important to you, and you direct much creative energy towards acquiring property and wealth. It is through the acquisition of material

things that you feel successful and fulfilled.

#### *Sun Square Mars*

You're often frustrated, leading to flashes of temper and over-aggressiveness. You can be argumentative, and people may find you abrasive.

## **Part 3: Mental Interests and Abilities**

#### *Mercury in Gemini:*

Your mind works with great rapidity, with thoughts jumping from topic to topic. You have broad interests and knowledge. Your communication style is facile, quick, and often witty.

#### *Mercury in 3rd:*

You're curious, verbal, and mentally agile. You enjoy learning new things, and may be good at writing or speaking to groups.

#### *Mercury Opposition Jupiter*

You tend to lack common sense, and may be over-optimistic or over-confident about your ideas. You can be pompous and preachy in expressing your opinions. You dislike detail, and often promise more than you can deliver.

#### *Mercury Conjunct Uranus*

You have an extremely quick, inventive mind. You're an independent thinker, and unusually able to get at the truth because you accept nothing as a given. You experience flashes of insight and intuitive understanding. You express your ideas in original ways.

## Part 4: Emotions: Moods, Feelings, Romance

### *Moon in Capricorn:*

You tend to be reserved and unexpressive of your feelings. You may consider emotionality to be self-indulgent or frivolous.

### *Moon in 10th:*

Social prominence and career recognition are important to your sense of emotional security and well-being. Your family may push you to be ambitious and high-achieving.

### *Moon Opposition Venus*

You tend to be too trusting of others, and people can take advantage of you. You often feel unloved in your relationships, and may try too hard to be accepted and liked.

### *Moon Square Neptune*

You are highly impressionable and imaginative. You can become so immersed in your inner world that you confuse your fantasies with reality. Alcohol and drugs are a danger to you.

### *Moon Square Asc.*

People often misunderstand what's motivating you. You may hide your feelings, or you may have habits and mannerisms that cause you to be misunderstood. This can create problems in your relationships.

### *Venus in Cancer:*

Your feelings are easily hurt, and you often protect yourself by hiding them. You place a high value on a warm, secure home life. You love to nurture and be nurtured.

*Venus in 3rd:*

You love literature, and may have a talent for writing. Your communications with others are graceful and diplomatic. You enjoy conversation, and express your ideas with fluency.

*Venus Square Neptune*

You're very romantic and have an active fantasy life. You idealize those you love, and often end up disappointed. You may engage in secret love affairs.

## **Part 5: Drive and Ambition: How You Achieve Your Goals**

*Mars in Virgo:*

You devote much of your energy to your work, which you approach with perfectionistic devotion. Sometimes your absorption with detail interferes with your ability to complete tasks. You are annoyed by sloppiness, and can be irritable and difficult to get along with in a work environment.

*Mars in 5th:*

You are active in your pursuit of pleasure and romance, and like to be the dominant partner in your relationships. You have a strong sex drive. You enjoy competitive games and outdoor sports.

## **Part 6: Other Influences**

*Jupiter in 9th:*

You have an avid interest in social philosophy and different cultures, and enjoy expanding your knowledge through education and travel. You live by your moral standards and philosophic beliefs.

*Saturn in 5th:*

You can be self-conscious and inhibited about expressing love and taking part in pleasurable pasttimes. It's hard for you to let yourself have fun. If you have children, you may be especially strict with them.

*Saturn Trine Asc.*

You're responsible and self-disciplined in your approach to the world and in your partnerships. Others may find you somewhat reserved, but they appreciate your reliability.

*Uranus in 3rd:*

You're original and inventive in your thinking, and prefer to draw conclusions based on your own observations, rather than accepting common knowledge. You have an active mind, and may change your opinions frequently.

*Neptune in 6th:*

You prefer work that allows you to help to others. In fact, you can be so self-sacrificing that your health suffers. You may have difficulty sticking to rigid schedules and routines.

*Pluto in 5th:*

You are passionately intense in love, and may become obsessed with your romantic partners and overly controlling of them. You have a very strong sex drive. Your love affairs can be life-changing experiences for you.

## **SECTION II: What Lindsey is Like as a Person**

## **Part 1: How you Approach Life and How You Appear to Others**

*Leo Rising:*

You are quick to express yourself in virtually all situations, and like being in control and at the center of attention. You fall in love with people who are modest and humanitarian, but very independent. They let you take center stage, but you can't control them. Your love-life tends to be turbulent, and your relationships may end abruptly.

## **Part 2: The Inner You: Your Real Motivation.**

*Sun in Libra:*

You need companionship, and have highly developed social skills. You're charming and considerate, with a strong sense of justice in human relationships. You dislike conflict, and are expert at smoothing things over to keep the peace. Your natural diplomacy and sense of fairness often result in your being cast as the peacemaker or arbitrator in the affairs of others.

*Sun in 3rd:*

Achievement in the intellectual sphere is important to you. You have a curious nature and enjoy exploring new things. You derive much satisfaction from expressing your ideas clearly and effectively.

*Sun Conjunct Mercury*

You are energetic and creative in your thinking, and like to see your ideas carried out. You feel strongly identified with your ideas, and take criticism personally.

### *Sun Square Uranus*

You dislike routine, and can be erratic and eccentric. You enjoy excitement, and may flaunt convention just to stir things up. You always do exactly what you want to do, and this can create problems in achieving your basic goals.

### *Sun Conjunct Neptune*

You have a gentle, spiritual, artistic nature, and are extremely sensitive to impressions from your environment. You're highly intuitive, and easily tune into the feelings of others. You have an active imagination, and may have a tendency to escape into your own world.

## **Part 3: Mental Interests and Abilities**

### *Mercury in Libra:*

You like to consider an issue from all sides before making a decision. Your concern for others' points of view makes you especially diplomatic in your communications.

### *Mercury in 3rd:*

You're curious, verbal, and mentally agile. You enjoy learning new things, and may be good at writing or speaking to groups.

### *Mercury Conjunct Neptune*

You have a vivid imagination, and enjoy spending time alone day dreaming. You may have a talent for writing or the visual arts. You tend to be secretive, and dislike being pinned down. You can be deceptive.

## Part 4: Emotions: Moods, Feelings, Romance

### *Moon in Aquarius:*

You are eccentric and independent, and must have freedom of emotional expression. Humanity at large may move you more than any particular individual.

### *Moon in 7th:*

You are highly sensitized to the people close to you, and may unconsciously adapt yourself to suit their needs and view of you. You seek emotional expression and security through relationships. Your partners often take on a parental role in your life.

### *Venus in Scorpio:*

You love intensely, sometimes obsessively, and there's nothing you wouldn't do for your partner. But if you're spurned, your love can change to hate. You can be very jealous.

### *Venus in 4th:*

You're sensitive to the aesthetics of your surroundings, and like to fill your home with beautiful things. You enjoy entertaining at home. Your family life is harmonious and pleasant.

### *Venus Sextile Jupiter*

You are outgoing and make friends easily. You're kind and giving towards those close to you. Your relationships are harmonious and happy.

### *Venus Square Pluto*

Your love affairs are intense, both emotionally and sexually, and may become obsessive. You have trouble controlling your passions, and may

attempt to control your partner instead.

*Venus Square Asc.*

It's difficult for you to express affection and happiness, and people may think you don't like them when you do. This can create problems for you in your life in general, and in your relationships.

## **Part 5: Drive and Ambition: How You Achieve Your Goals**

*Mars in Leo:*

You approach tasks with energy and creativity, and have much perseverance. Your high spirits and self-confidence inspire confidence in others, making you an effective leader. You are proud, and will become angry if you feel you're not given sufficient respect. You can be obstinate and overbearing. You're a passionate lover.

*Mars in 12th:*

You prefer to work behind the scenes to achieve your objectives. You dislike direct confrontation, and can be quite secretive about your plans. You may have secret sexual involvements. Unconscious desires and suppressed anger can strongly influence your impulses and actions.

*Mars Sextile Neptune*

You are good at sensing subtle, behind-the-scenes forces, and can usually tell when someone is lying to you. You tend to approach things indirectly, bypassing obstacles and opposition by use of secrecy or subterfuge. You may enjoy dancing.

*Mars Conjunct Pluto*

Your actions are fueled by tremendous energy and will-power. You have the courage and endurance to face danger or hardship when necessary to accomplish your goals. You should guard against the use of force to achieve dubious objectives. You have a very strong sex drive.

## Part 6: Other Influences

### *Jupiter in 6th:*

You like to help others in concrete ways, and will really put yourself out. You get along well with co-workers, and they willingly help you to accomplish tasks.

### *Saturn in 2nd:*

You have to work hard to earn what money you have, and may suffer periods of hardship. You can be frugal when you have to be, and you know how to get your money's worth. Fear of not having enough money can make you overly cautious in financial affairs.

### *Uranus in 11th:*

You're a true humanitarian, open-minded and tolerant of people and ideas that are different from your own. Your friends may come from many walks of life. There may be frequent shifts in your circle of friends, since your allegiance is more to the group than any one individual.

### *Neptune in 3rd:*

You are highly intuitive with a well-developed imagination. You tend to daydream and fantasize, and may be absent-minded about practical matters. It's hard for you to be clear and precise in communicating your ideas, and others often misunderstand what you're trying to say. You can be secretive, and sometimes deliberately misleading or deceptive.

### *Neptune Sextile Asc.*

You're sensitive and empathetic, and easily tune into people's thoughts and feelings. You're receptive and gentle in how you relate to your environment and other people.

*Pluto in 12th:*

You are deeply introspective, and like to root out old hang-ups. You may tend to obsess on problems and events from the past. Present circumstances can cause buried issues to surface with great forcefulness at times, and overwhelm you.

### **SECTION III: The Relationship from Stevie's Point of View**

*Lindsey's Sun in Your Sixth House*

This would be a good relationship if you work together and Lindsey happens to be your boss. Otherwise, you may resent his authoritative manner with you. It's important to Lindsey that you improve yourself and work hard. Your efforts may help him to accomplish his goals.

*Lindsey's Moon in Your Eleventh House*

Lindsey has a sympathetic understanding of your intellectual and humanitarian interests, and is very supportive. You are good friends. He enjoys spending time with you together with others in your social sphere.

*Lindsey's Mercury in Your Sixth House*

You can benefit from Lindsey's advice on your work habits or health practices, and you can give him practical ideas on how to approach everyday problems. You offer each other many helpful tips.

*Lindsey's Venus in Your Seventh House*

You are touched in a special way by the way Lindsey expresses affection, and his manner and way of loving feel comfortable and right to you. He feels appreciated by you, and the two of you are drawn to each other as natural

partners.

#### *Lindsey's Mars in Your Fifth House*

Lindsey arouses your desire for adventure and fun, and you likely feel a strong, sexual attraction for each other. He may sometimes lack grace and a sense of timing in the expression of his impulses.

#### *Lindsey's Jupiter in Your Tenth House*

Lindsey's excellent judgment and wisdom are helpful in your efforts to achieve professional status and influence. He acts as mentor to you, and finds satisfaction in your successes.

#### *Lindsey's Saturn in Your Sixth House*

Lindsey encourages discipline and responsibility in your work habits and health practices. This can motivate you to great productivity, but sometimes can feel burdensome.

#### *Lindsey's Uranus in Your Third House*

Lindsey encourages you to think independently, and not rely on common knowledge. You're more open-minded in your thinking, and independent in how you express yourself, as a result of his influence.

#### *Lindsey's Neptune in Your Sixth House*

Lindsey's daydreaming or inattention to detail can make it difficult to accomplish routine tasks. You would probably find him frustrating to work with. You may neglect your health due to his influence.

#### *Lindsey's Pluto in Your Fifth House*

Lindsey often seems to dictate what you do together and how you spend your leisure time. The passions you stir up in him can cause him to be jealous of you. Your relationship may be intense and volatile.

#### *Your Sun Trine Lindsey's Sun*

Your characters blend naturally, and your basic goals and motivations are harmonious. You understand each other, and get along together easily. Lindsey and you are similar types, but not so similar as to cause competition between you.

*Your Moon Square Lindsey's Mercury*

You regard Lindsey as too analytical and insensitive to your feelings, and he finds you overly emotional and difficult to talk things over with rationally. There may be frequent misunderstandings and hurt feelings between you.

*Your Moon Trine Lindsey's Saturn*

There is a strong sense of mutual respect and responsibility between you. Lindsey's reliability gives you a feeling of security, and your sensitivity, responsiveness, and nurturing ease his fears and insecurities. Your loyalty to each other gives you the ability to survive hard times together.

*Your Moon Square Lindsey's Neptune*

You tend to trigger negative memories in each other, and encourage each other's tendencies towards escapism and self-deception. Your emotional responses stir up old hang-ups and fears in Lindsey, causing confusion in your relationship. He can be secretive, evasive, or even deceptive, making you feel uncomfortable and insecure.

*Your Venus Sextile Lindsey's Saturn*

This is a serious relationship, and you share a strong sense of loyalty and responsibility. Lindsey provides stability and security for you, and your affection calms his insecurities and fears. If you aren't willing to make a commitment, you may find the relationship burdensome and confining.

*Your Venus Square Lindsey's Neptune*

Your relationship is subject to illusion, and the affection between you may be one-sided. Lindsey's elusiveness or deceptiveness may lead you to mistake his true feelings. He may have a clouded or over-idealized view of you, and suffer pain and disappointment when the way you care about him falls short of his conception of true. spiritual love.

### *Your Mars Sextile Lindsey's Uranus*

Lindsey's uniqueness and originality spur you to take action in new ways, and your energy and enthusiasm encourage him to put original ideas and insights to constructive use. Together you can come up with innovative and resourceful solutions to problems.

## **SECTION IV: The Relationship from Lindsey's Point of View**

### *Stevie's Sun in Your Tenth House*

You admire Stevie and feel proud to know her. You tend to defer to her authority. Stevie helps and encourages you to gain greater influence or status, particularly in your career. Your ambitions and achievement are important to her. You may use your position to help her actualize her own potential.

### *Stevie's Moon in Your Fifth House*

Something about the way Stevie feels and responds to things makes you feel happy and romantic. She is moved by your creativity and sense of fun, and enjoys being around you. You love being together.

### *Stevie's Mercury in Your Eleventh House*

You are good friends and enjoy discussing mutual interests. Stevie's association with you and your social sphere trigger original ideas in her, and her ideas are helpful to you in pursuing your interests and ideals.

### *Stevie's Venus in Your Eleventh House*

Stevie's affection inspires your warmth and consideration, and you share many mutual interests. You're good friends, and enjoy spending time together in the company of others. You might feel a little confined if she were too possessive.

### *Stevie's Mars in Your First House*

Stevie's energy and aggressiveness has a strong affect on you. It's difficult to feel placid or calm in her presence, which sometimes can be a problem. There may be a strong sexual attraction between you.

#### *Stevie's Jupiter in Your Fifth House*

The time you spend with Stevie is harmonious and pleasurable. You enjoy participating in creative activities and pasttimes together. In fact, you may enjoy it so much that it's difficult to get back to business.

#### *Stevie's Saturn in Your Twelfth House*

Although there's no rational reason for it, Stevie somehow makes you feel guilty. You often find yourself bending over backwards for her, even though you know it's not warranted. You may even harm yourself in your efforts to cater to her needs.

#### *Stevie's Uranus in Your Eleventh House*

Stevie is a stimulating companion, and introduces you to people who are different from those you usually spend time with. She may cause some disruption in your social life. Your friendship with her may be intermittent, unstable, or subject to frequent falling-outs.

#### *Stevie's Neptune in Your Third House*

Conversations with Stevie can be confusing. Sometimes you get the sense that she is paying more attention to the sound of your voice than to your words. You may have occasion to wonder if she is being totally honest with you.

#### *Stevie's Pluto in Your Twelfth House*

Stevie has a knack for unearthing your deepest secrets and fears, and pushes you to to overcome your hang-ups in a way that can feel disruptive and upsetting. Even if it's ultimately good for you, you may resent her intrusiveness.

#### *Your Sun Trine Stevie's Sun*

Your characters blend naturally, and your basic goals and motivations are harmonious. You understand each other. and get along together easily. Stevie

and you are similar types, but not so similar as to cause competition between you.

*Your Sun Square Stevie's Venus*

It's hard for Stevie to express affection towards you, and your confidence is diminished by her apparent lack of caring. She may find you dominating or self-centered.

*Your Sun Conjunct Stevie's Neptune*

Stevie tends to idealize you, and you find her mysterious and intriguing - if not downright confusing. If you try to pin her down, she is more likely to respond with passive resistance and deception than directness.

*Your Sun Sextile Stevie's Pluto*

You encourage each other to improve yourselves and the world you live in. Stevie motivates you to act with greater self-control and will power, and to rely on your inner strength.

*Your Moon Trine Stevie's Mercury*

Your intuitive understanding of what Stevie is trying to get at when she speaks eases communication between you. She can help you to understand your feelings by putting them into words. You have a natural rapport.

*Your Moon Opposition Stevie's Mars*

Your feelings are often hurt by Stevie's aggressiveness and insensitivity, and she gets impatient and irritated with your emotionalism and hypersensitivity. You may tend to argue.

*Your Moon Sextile Stevie's Jupiter*

Stevie's kind generosity and your sympathetic understanding make for a warm friendship between you. You trust one another's honesty and good will, and give each other support and encouragement.

*Your Moon Trine Stevie's Uranus*

Your relationship is lively and full of adventure. Stevie exposes you to new ideas and experiences, and enjoys your receptiveness and responsiveness. You find each other's company stimulating and exciting.

*Your Mercury Square Stevie's Venus*

You sometimes may find talking together difficult, particularly when discussing matters pertaining to your relationship. Stevie may feel that you are overly analytical, while you find her too influenced by sentiment. You may tend to talk around issues without really resolving them.

*Your Mercury Conjunction Stevie's Neptune*

Stevie's gentle idealism stimulates your imagination and creativity. While you find her mysterious and intriguing, conversations with her often leave you mystified. Her evasiveness - even deceptiveness - can make conversations confusing. She prefers to understand things intuitively, and doesn't like to be analyzed or pinned down. You communicate much better on a nonverbal level.

*Your Mercury Sextile Stevie's Pluto*

Stevie influences you to think things through more deeply and express ideas more forcefully. Your relationship with her encourages you to look below the surface and discover real causes, to stand by opinions, and to put ideas into action. The two of you enjoy discussing the mysterious aspects of life and the universe.

*Your Venus Square Stevie's Saturn*

Stevie's harshness makes it difficult for you to express love freely and enjoy the relationship. She may be undemonstrative, judgmental, jealous, over-protective, or absorbed with career and other responsibilities. You often feel coldly rejected and unloved by her. Although she may feel guilty about your unhappiness, she sees your concerns as trivial or too influenced by sentiment, exacerbating the problems between you.

*Your Mars Conjunction Stevie's Saturn*

Stevie imposes serious limitations on your impulses and actions, which may

cause considerable frustration and anger in you. She sees you as undisciplined, inconsiderate, and rash, and she attempts to redirect your energy towards more serious ends. She perceives your rebelliousness as threatening to her security or position, and you see her restrictions as unreasonable and excessive. If your relationship is sexual, this dynamic may inhibit your responsiveness.

*Your Mars Conjunct Stevie's Pluto*

You energize each other, and there is likely to be a strong sexual attraction between you. The combination of Stevie's willpower and your enthusiasm enable you to accomplish a great deal together. She can have a transforming effect on your style of action, influencing you to be more subtle and less impulsive. Attempts by either of you to direct or coerce the other's behavior will be met by intense resistance.
