INTRODUCTION

There are friendships and there are FRIENDSHIPS, partnerships (whether business or personal) and PARTNERSHIPS. HEAVEN SENT can help you understand ALL your interpersonal relationships, whether business or pleasure, gay or straight, romantic or platonic, by describing the details of your interactions.

To best understand your relationship with anyone, it is suggested that you first get their (and your own) natal chart interpreted. This tells you what makes them (and you) tick. Then, the comparison tells you what you each trigger in the other.

HEAVEN SENT is divided into two sections--the first deals with planets in houses, that is, which of your natal houses are triggered by his/her planets and vice versa. The second section deals with planets in aspect, or how your planets relate to each other. A true comparison involves a blending of everything said in both sections. This is important since there are often seemingly contradictory statements made, such as, "You are dear friends," and, "You compete with each other." Both would be true. They would simply manifest at different times.

There are two things HEAVEN SENT can do for you:

1. Give you information you did not already know and,
2. Validate what you've known all along. (Yes, you were right!)

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

Leonardo's Sun Square Tobey's Moon:

Your relationship has strong emotional highs and lows. Whenever one of you expresses yourself, the other feels emotionally threatened. This can create arguments. This aspect represents the conflict between expressing yourselves when emotions run high and protecting yourselves, between creating and nurturing. You each want your way and have strong emotional reasons to justify yourselves.

Tobey's Sun Trine Leonardo's Mercury:

You listen to each other, hear what the other is saying and understand one another. You encourage each others' self-expression because you enjoy one another's ideas.

Leonardo's Sun Square Tobey's Venus:

Because your egos need to be liked and appreciated, but because you are unable to request it directly, you can do so through gifts, praise and compliments and, in essence, "buy" each other's friendship. This is a too-much-of-a-good-thing aspect as it tends to overdo and overindulge.

Tobey's Sun Trine Leonardo's Mars:

You energize and activate each other positively, and encourage one another to go for it NOW. You trigger the winning spirit in each other. Life becomes an adventure when you are together.

Tobey's Sun Trine Leonardo's Jupiter:

You have a beautiful friendship. You like each other and love being together. You help each other see the big picture and trigger optimism and generosity in one another.

Leonardo's Sun Trine Tobey's Saturn:

You have a mutual respect and trust for each other. You take each other seriously and act maturely together. You each assume your responsibilities in

the relationship without any sense of burden or restriction.

Tobey's Sun Trine Leonardo's Uranus:

You encourage each other's individuality, uniqueness and inventiveness by giving each other the space to be yourselves. You are non-possessive of one another and find the other fascinating. You can be in tune psychically.

Tobey's Sun Square Leonardo's Pluto:

There is a strong power play between the two of you. You each want to be in control and are threatened by the fear of losing the game, for it is an all-or-nothing, winner-take-all game. You do not trust the other and are always looking for the other's weak spots, at the same time you are protecting yourselves from attack.

Tobey's Moon Trine Leonardo's Moon:

You understand and sympathize with each other. You are sensitive to one another's moods and emotional needs, and can nurture each other.

Tobey's Moon Trine Leonardo's Mercury:

You communicate well, both verbally and non-verbally, because you understand each other and hear what is NOT being said as well as what is. You balance the emotional with the mental in your communication with each other.

Leonardo's Moon Sextile Tobey's Venus:

You love each other and want to be together. You care about one another, support each other emotionally and encourage the other's artistic talents and appreciation.

Tobey's Moon Square Leonardo's Venus:

You trigger unresolved feelings of being unloved in each other and may need proof of being loved. This can result in much gift-giving and expressions of love which, nevertheless, may not fill the need.

Leonardo's Moon Opposition Tobey's Jupiter:

You tend to overindulge and exaggerate when you are together. You each want to see yourselves as optimistic, generous and friendly---and can go to great lengths to demonstrate it, whether through gifts or praise and compliments.

Leonardo's Moon Square Tobey's Saturn:

You trigger an unresolved fear of authority figures in one another. As a result, you are afraid of each other, yet still feel drawn to be together. You both feel responsible for your part in the relationship, but withhold from one another. This causes you to both feel restricted and inhibited.

Tobey's Moon Trine Leonardo's Uranus:

You bring out one another's uniqueness, inventiveness and individuality. You give each other the space to be yourself. As a result, you are friends.

Leonardo's Moon Sextile Tobey's Neptune:

You are intuitively sensitive to one another's moods and feelings. You inspire each other to fulfill your dreams. You encourage one another to see the highest and best in everyone. You feel that the other is special---and blessed to be together.

Leonardo's Moon Conjunct Tobey's Pluto:

There is a powerful, compelling, magnetic attraction between you based on your mutual need to be in control. This makes you possessive of one another. You are psychically in tune and feel each other's moods even when you are apart.

Leonardo's Mercury Opposition Tobey's Mars:

You fire each other up mentally, but become irritated with the other's ideas. Discussions can quickly become arguments as you disagree with one another and compete.

Leonardo's Mercury Opposition Tobey's Jupiter:

You are interested in one another's thoughts, but you don't always understand

each other because you see things from opposite ends of the spectrum. You trigger each other's ideas and want to express your own. As a result, there can be much conversation between the two of you.

Tobey's Mercury Square Leonardo's Jupiter:

Your beliefs and concepts are different, so while you trigger one another's ideas, you don't understand each other. There is a tendency to exaggerate as well, so it is difficult to discern fact from fiction. There can be much conversation, but little comprehension.

Leonardo's Mercury Square Tobey's Saturn:

You tend to see the glass as half empty rather than half full when you are together. You criticize one another's ideas because you see their flaws. As a result, you are each afraid to express your ideas. This makes conversation heavy and restrictive---and can eliminate it altogether.

Leonardo's Mercury Conjunct Tobey's Uranus:

You trigger each other's sense of humor and enjoy extremely funny, probably sarcastic banter. You love talking with each other because your conversations are stimulating. You are psychically in tune so your minds function on many levels at once.

Tobey's Mercury Opposition Leonardo's Neptune:

Because you trigger each other's dreams and because you believe in your dreams, you want to believe in one another. This results in either wishful thinking or true inspiration.

Tobey's Mercury Trine Leonardo's Pluto:

You are psychically and mentally in tune. You speak to each other on many level at once. You encourage one another's most profound thoughts and revelations.

Tobey's Mercury Opposition Leonardo's N. Node:

When you are together you are unable to express what you truly feel. As a

result, you can either go blank and remain silent or say too much.

Tobey's Venus Square Leonardo's Venus:

Your concepts of love, money and beauty are at odds with each other, so you don't express them the same way. You can go to extremes to demonstrate your feelings, but it is forced--the true feeling of love is lacking.

Leonardo's Venus Trine Tobey's Saturn:

You care about and are loyal to one another. You both willingly assume your responsibility for the relationship. You respect one another and know that the other is dependable. You bring out the practical side in one another. Financially you do not go overboard.

Tobey's Mars Square Leonardo's Saturn:

You can be actively hostile and critical of one another when you feel restricted in any way. You resent the other taking the role of authority figure, which you want, yet you fear losing your autonomy by assuming the responsibility of authority. The resulting emotions between you are fear and hate.

Tobey's Mars Opposition Leonardo's Uranus:

The energies between you are exciting, but can be erratic and unpredictable. You bring out the individuality as well as rebellion in each other. You each want to be free to do what you want, and the relationship can explode when you feel restricted.

Tobey's Jupiter Square Leonardo's Saturn:

You are resistant to one another's principles, yet you each want the other to reflect yours. When one of you is optimistic and the other is serious, you try to get the other to reflect you. You are torn between doing what you WANT to do and what you feel you SHOULD do.

Leonardo's Jupiter Trine Tobey's Uranus:

You are great friends and encourage each other's universal concepts and philosophies. You believe in one another and support each other's innovative

approaches to life.

Tobey's Jupiter Opposition Leonardo's Uranus:

You encourage one another's uniqueness, originality and independence of thought, but can also trigger rebellion in each other. As a result, the friendship can have unexpected ups and downs.

Leonardo's Jupiter Square Tobey's Neptune:

While you inspire one another to dream great dreams, be your highest and best, and live according to your principles, you get lost in wishful thinking and don't get past the dream state. This can lead to "escapes" of all sorts.

Leonardo's Jupiter Square Tobey's N. Node:

Mutual overindulgence prevents you from expanding your horizons.

Tobey's Saturn Conjunct Leonardo's Saturn:

You feel a strong sense of duty and responsibility for one another. You are loyal and take each other seriously. You trigger one another's caution and conservatism. There may be times when you feel restricted by one another.
